SLF has received attention for its notable cases and positive results in the courtroom. Its common-sense approach and ability to take bold action when necessary has made SLF one of the fastest growing family law firms in the region.

Clients choose SLF for the individual attention and direct accessibility they receive. At SLF, each client is given access to his or her personal case tracker (a secure website where all documents related to the case are posted). In addition, clients are also given the personal cell phone numbers of their attorney.

Another forum for serving clients is through the firm's website, rich in content with articles, videos, and a plethora of information, making it one of the most comprehensive in the industry. SLF has also released a new mobile application for iPhones and iPads titled: Divorce Headquarters.

The firm is led by Kirk Stange and Paola Stange. Kirk Stange is a member licensed in Missouri, Illinois, and Kansas. He is a Missouri Bar mentor and has lectured at CLE seminars for other attorneys on family law topics. In 2012, he authored a chapter in a book through Aspatore Publishing titled: *Inside the Minds: Strategies for Military Family Law*.

Paola Stange is a member licensed in Missouri and Georgia. She is a mediator, is trained in collaborative law, and is on the board of directors for Kids in the Middle.

People confronting many of life's chaotic challenges come to the Stange Law Firm. At the heart of the firm is the enjoyment of bringing peace and stability back to such fractured families.
